### Session Description:

Join us for a discussion about how seasoned Title I Directors have approached the 6 Cycle Monitoring Process with a focus on Cycle 4 "The On-Site Visit". This is an opportunity to hear from Title I Directors who have been through the process and/or are preparing for the process. What do they think are the critical elements of monitoring? What they have done to prepare and stay current with compliance requirements? Time will be provided for you to ask questions of the directors and the ADE staff.

### Presenter Information:
